# **About Us**

## **Contents**

MRL Midlands Ltd is based in the centre of the Midlands. Incorporated in 2009 with the repair and maintenance of sheet fed Litho presses the core of its business. Founder, ex Heidelberg engineer Bruce Perkins has been working on Heidelberg presses since 1986. Joined by his son Nathan Perkins who has been working on the full range of presses since 2004. The company quickly grew and became well known throughout the region for reliability, service and effectiveness. In 2013 Nathan became a Director and progressed the company forward by offering its customers a large range of spare parts and consumables. Since that date MRL Midlands Ltd has continued to expand each year, including the addition of a team of sales personnel as well as offering in-house engineering facilities.

We pride ourselves on offering impeccable customer service and quality products. With our extensive mechanical knowledge and technical background we can ensure you get the right parts and consumables you need for your machine whether it's high quality or something more economical.

Our range is ever growing and exceeds the contents of this catalogue. New items are being added daily so for the most up to date listings visit our website www.mrlmidlands.co.uk. We can supply almost any part for Heidelberg machines so if you can't find what you are looking for call us on 01455 841963.
